TGU TO NYC

“Honduran politician Juan Antonio “Tony” Hernandez was found guilty of U.S. drug trafficking charges on Friday after a two-week trial that featured dramatic accusations of corruption against his brother, the Central American nation’s president.”

SHUT UP
AND
D.E.A.NCE

Honduran politician Juan Antonio “Tony” Hernandez is accused of smuggling tons of cocaine into the United States for years under the protection of his brother, the Central American country’s current president, a U.S. prosecutor told jurors at the opening of his trial on Wednesday.
