Throughout my career I have always strived to ensure that the passion and enthusiasm for my work has shone through, and despite my success as a designer, I achieve my greatest potential as part of a team.

I have learnt that having a platform through which I can question and develop ideas can harness greater creativity - although bringing creative inspiration to life doesn't come without its obstacles. Time management and working to tight deadlines are important in any industry, but the foundations and biggest challenges of design, lies in communication. In my years of experience I have enjoyed these challenges and used them to fuel my ambition and to maintain my own high standards.

Let's go and see some great Creatives

Investment Pack

To get the kind of value we have currently packed into any Virtual Profile, you will pay a reasonable amount from ₦100,000 (₦100,000 - ₦400,000 - \$5000), though the height of the value we put in ITTENTION is much more than this payment. In fact, ITTENTION has just recently got this unique global partnership with a brand which we are so excited about and would be of great benefit to you our clients.

These are the amazing benefits you get with this package

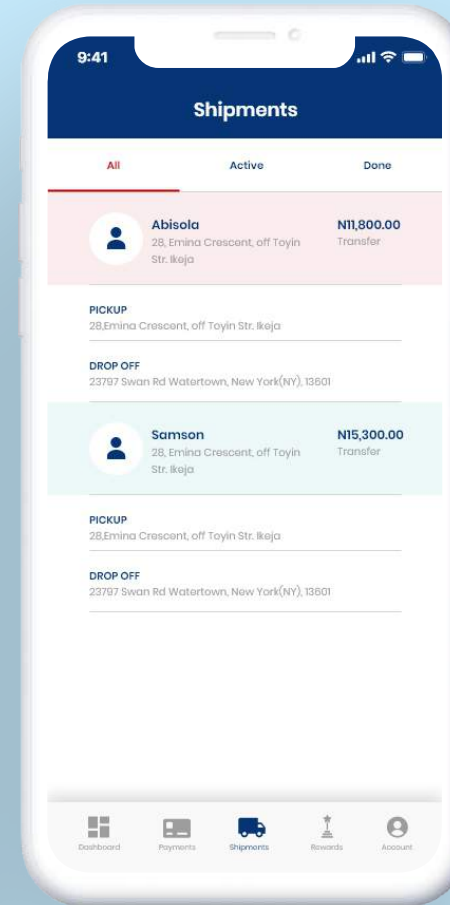

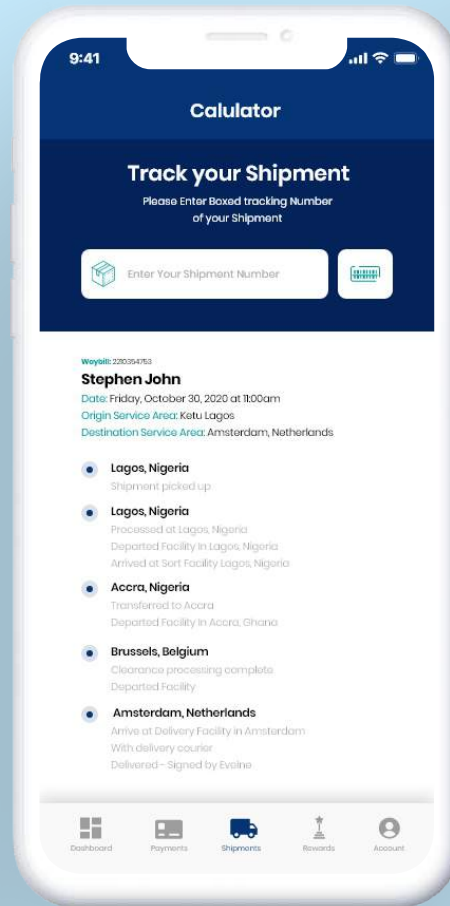

- Highly Optimized sales website
- Monthly 24hr/7 Support
- One-time website
- 200,000 visits monthly (T&C applied)
- Retargeting for clients who visit
- Amazing UI/UX design
- Own Domain name (www.yourdomain.com)
- WhatsApp integration and much more
- Sales funnel embedded website

In addition, you will get

- FREE content creation and content
- Brand Writing Copy (TBWC)
- Marketing Action Plan for your website
- Initiative to join a High-Value Business Accelerator (HBA) Community
- Access to a network of like-minded business leaders about effective business
